THE PULI CLUB OF AMERICA CODE OF ETHICS

1. On breeding, a breeder should:
   1. Breed only from stock that is itself physically and
      mentally fit.
   2. Breed carefully to improve the breed.
   3. Use all available means to determine that stock retained or sold for breeding purposes is free of inhe-
      ritable diseases.

b. On sales, a breeder should:
   1. Maintain a reasonable price within his locale which
      price should also be compatible with national prices.
   2. Intelligently and honestly classify stock as to show
      prospects, breeding prospects, or as pets.
   3. Not sell stock with AKC papers if it may be a poten-
      tial detriment to the breed. However, the seller should
      hold the registration available for future needs, such
      as Obedience or Field Trials. (Withholding the AKC
      registration requires a written agreement between sol-
      lar and buyer).
   4. Provide at least a 3-generation pedigree, typed or
      legibly written.
   5. Avoid false or misleading advertising.
   6. Supply records to the buyer of shots, feeding and
      worming, also instructions for future care.
   7. Not sell stock to pet shops or commercial kennels.

C. On showing, a breeder should:
   1. Show and encourage the showing of high quality stock.
   2. Exhibit only the most creditable ring department and
      accept only the services of those professional handlers
      whose behavior is exemplary.
   3. Help the novice exhibitor and breeder. Use construc-
      tive, kind and honest criticism.

FROM THE PRESIDENT

All of a sudden I am an Easterner again. Goodbye drought, hello humidity (and highway tolls). Furthermore, I find myself as the PCA President. The Fall Specialty was among my first shows back East and it was exciting to put faces to names I had known.

Congratulations to the new Board and many thanks to the retiring Board whose hard work brought Parent Club recognition to the PCA with the American Kennel Club. Special thanks to PULI NEWS Editor, June Kirkpatrick who has worked so hard making this Newsletter an excellent, award-winning publication.

Plans are underway for the 1978 Fall Specialty in Pasadena, California with David Powers as Show Chairman. It is tentatively planned for the 1979 Specialty to be held in the Midwest (Chicago area). We should soon have the medallions finalized and hopefully distributed within 6 months.

It is important in any breed to have some record for those in the future to refer to. Barbara Edwards and Connie Peterson have worked diligently to keep the Book of Champions current and at the same time get us up to date with years that were missed in the past. They have done a great job. Unfortunately the membership has not supported their efforts as well as they might have. Many of the pages are blank because pictures were not submitted. How much better the Book of Champions might be were all the pictures included. It is quite a help to have all the dogs represented so that the new Puli person can see Pulis that appear in their pedigrees. It is even nicer to have a record for posterity. The cost is really minimal. Let's have everyone remit a picture.

A special thanks to the Mid Atlantic Puli Club as it was through their financial contribution that the program at the Fall Specialty banquet was possible. It was Lew Burke, a dog trainer and author, and he put on an enjoyable show.

THE SECRETARY'S PAGE
1977 SPECIALTY REPORT

MINUTES OF THE ANNUAL BOARD MEETING, SEPTEMBER 9, 1977

The meeting was called to order by the President, Charles Room, at 9:30 p.m. at the Sheraton Eagle Bay Inn in Goshen, NY. Present were: Dee Rummel, Susan McManus, Elizabeth Keller, Constance Peterson, Robert Coleman, David Powers and Klara Denis. Absent were: Sylvia Owen, Beverly Lillie and Lois Skolnik.

The motion was made by Elizabeth Keller and seconded by David Powers, that since the minutes of the last meeting had been published in Puli News, the reading of the minutes be dispensed with. Motion carried.

The Board voted to award the Obedience Award this year to Anita Hitenour, whose pull, "Rufus" is the first pull in the USA to earn a Tracking degree.

There were no nominations for the Cliff Woods award.

The following were elected to membership:

Mr. and Mrs. Dennis L. Wilson, 819 Corinthian Ave., Philadelphia, PA., 19130
Stewart Wells, 804 W. 145th. Street, Elmont Chicago, IL, 60612
Abbe Armband, 30 Mapleleaf Lane, Box Hyde Park, NY., 11040
Mr. and Mrs. John Bredarich, 2222 Country Club Drive, Apt. 12, Woodridge, IL, 60615
Mrs. Judith Zick, 32304 Columbion Drive, Warren, MI., 48093
Mr. and Mrs. Patricia T. Shea, Georgetown Road, Nazareth, PA., 19064
Miss Carol M. Wattingley, 50 1/2, Coventryville Rd., Pottstown, PA., 19464
Mary Jane Richart, 3784 Broadway, San Diego, CA., 92102
Mrs. Jerry Wack (Joan), 808 Bryant, Winnetka, IL., 60093

Klara Denis moved and Elizabeth Keller seconded the motion that the Breeders Directory in Puli News be revised twice a year only.....in February and August, and that the editor of Puli News so notify the membership. Motion carried.

Dee Rummel reported that June Kirkpatrick, Puli News editor, had called her and asked her to bring the following messages to the board: That she (June) is investigating a new printing firm to print PN that might do the job more reasonably than the present printer. She feels that because of the number of trips needed to the printer in preparing each issue, the editor should live in the same area as the company doing the printing. She also wanted the board to know that she has many back issues of PN, and would like permission to sell them as a money raising venture. (Board in favor of this). She also asked if the board felt she should mail PN third class or first class. (This not resolved). Also, she feels that the editor of PN needs a fund for working capital. David Powers moved and Elizabeth Keller seconded the motion that the board table the discussion on the above until the new board convenes after the Annual meeting.

As instructed by the Board, Dee reported that she had contacted various other breed parent clubs to ascertain their method of communication with regional clubs. She had received two answers indicating that this is handled in various ways. Klara Denis moved and Elizabeth Keller seconded the motion that we establish a policy as to our method of communication with area clubs. Motion passed. It was decided to table action on this motion for the new board.

Constance Peterson presented the Treasurer's report......see attached.

Sally Hines showed the Board the first proof of the new medallion design, and gave the costs of producing it. Klara Denis moved and Elizabeth Keller seconded the motion that we change the order to gold-plated medallions. Motion carried.

David Powers, 1978 Borch show chairman, reported that Charles Hamilton, Richard Greathouse, and Haworth Koch would be available on the Pasadena panel. He will contact Elizabeth Keller next week to ascertain how these judges rank on our preference list. He will also contact Simi Valley K.C. for their judging panel.

Con't. page 85
Two people were nominated to judge Sweepstakes in Pasadena for the 1978 Specialty. David Powers will contact the first choice and then the other if the first cannot accept.

Constance Peterson presented the idea that PCA have a "B" match instead of round to Simi Valley show. She suggested that we would have more time to see the pulls under these more relaxed conditions. Chuck Ream appointed Constance Peterson and Clara Benin to work with David Powers on the feasibility of having such a match and report back to the board. Much discussion preceded this appointment.

Dee Rummel, secretary, announced that because she had not received an opposing slate of officers, the slate presented by the nominating committee was therefore automatically elected to office.

There could be no report from Constance Peterson regarding the Book of Title-holders because her luggage containing all her files had been sent to the wrong airport by the airline......she will hope to have a report for the new board.

"According to PCA By-laws, the AKC Delegate is elected at the time of the annual elections of officers and board members and is placed on the ballot by the nominating committee. Since this was not done, Chuck Ream suggested that according to our by-laws we could probably treat this as a vacancy and fill the position by board appointment. It was decided to let the new board discuss electing of appointing a Delegate to AKC.

Susan McManus mentioned that there had been no input into her committee on Standards Discussion.

Chuck Ream announced that the new board will meet immediately following the Annual meeting.

Elizabeth Keller moved and David Powers seconded the motion that the meeting be adjourned. Motion carried. Meeting adjourned

Respectfully submitted,

Dee Rummel, Secretary

MINUTES OF THE BOARD MEETING OF SEPTEMBER 11, 1977

The meeting of the newly elected board of directors of the Puli Club of America, Inc., was called to order by the President, Mike Cruwys, at 12:30 a.m. on September 11, 1977 at the Sheraton Eagle Bay Inn in Osning, NY. Those present were: Dee Rummel, Connie Peterson, Robert Coleman, David Powers, Elizabeth Keller, Peg Stiff, Chuck Ream and Mike Jacobs. Absent: Sylvia Owen. Guests were: Carol Mattingly, Patty Burke, Pat Coleman, George Moore, Terry Moore and Lorna Spangenberg.

The minutes of the 1976 Board meeting were read by the secretary.

The Treasurers, Connie Peterson, stated that because our balance runs so low usually, that it does not warrant having a savings account. This was in response to the question raised by George Moore at the Annual meeting.

Connie Peterson pointed out that she felt that the Mid-Atlantic Puli club deserved a public thank-you for raising the considerable sum of money needed to pay for the program at the annual meeting. This was wholeheartedly approved by the board, and the president will publicly acknowledge their efforts in his letter to the membership to be published in Puli News.

The specialty fund was discussed, and Connie stated that the most successful way to raise the money for this was by asking that members include a donation at the time they renew their membership.

It was decided to support the Simi Valley show with trophies in 1978.

After some discussion it was moved by Connie Peterson and seconded by David Powers that we donate a trophy for first in Fred By Exhibitor classes instead of BOB...at supported shows in the future. Motion carried.

David Powers suggested that an Awards committee be created to handle distribution of the Medallion. It was decided that the secretary collect the applications for the Medallion and send them to the Awards chairperson. The president appointed Carol Mattingly to the position of Awards chairperson. Dee was instructed to send the instructions for applying for the Medallion to Puli News as a reminder to the membership.

There followed a discussion as to whether or not to have a program at future specialty dinners. Some felt that there was so much activity at a specialty weekend that they would welcome the opportunity to just visit and exchange ideas with other puli people. Others felt that specialty time was the only time to present something of interest regarding puli to that many puli people at once. Mike Jacobs moved and Robert Coleman seconded the motion that the 1978 Bench show chairman use his own discretion as to whether or not to have a program.

David Powers reported that Ellanor Anderson wished to donate her BOB Challenge Trophy that had previously been awarded at the spring specialties be given at our Annual Specialty. Liz Keller moved and David Powers seconded the motion that the Ellanor Anderson trophy be awarded for BOB at our Fall Specialties in the future. Motion carried. (The trophy cannot be awarded this year as it was not printed in the premium list.)

George Moore reported that he has the trophy donated by Luther and Mary Coben for BOB at the Spring specialties, and that he was returning it to the Cobets. He indicated that Mary Coben had stated that she would be willing to re-donate the trophy when another trophy is retired, or she is willing to re-negotiate with the club. Mike Jacobs moved and Elizabeth Keller seconded the motion that the trophy chairperson contact the Cobets regarding their wishes for the disposition of the trophy. Motion carried.

David Powers reported that he had discussed with Connie Peterson and Mulca Denis, (an instructed by the past board, regarding the possibility of conducting a match before the 1978 specialty, that they felt that it might not be the best year for doing it. Connie Peterson explained that they felt that it might detract from the entry at Simi Valley, and since we are supporting that show with trophies, they felt we should also have as large an entry as possible. After some discussion on the necessity of having sanctioned "OB" matches in order to allow us to sponsor Obedience trial in conjunction with an independent specialty, Connie Peterson moved and Robert Coleman seconded the motion that PCA encourage regional clubs to conduct sanctioned "OB" matches. Motion carried.

The entry fee for the 1978 Sweepstakes was discussed, and it was decided to charge a base fee of $5.00 plus whatever amount the superintendent takes for his cut.....this year it was $2.00, making the sweepstakes entry $7.00...

Con't. page 89
After much discussion regarding where to hold the 1979 Specialty, it was decided that it should be in conjunction with a show in the mid-west. Liz Keller moved and Constance Peterson seconded the motion that our specialty be held in 1979 at the Skokie Valley show in Arlington Heights, IL. Motion defeated.

Liz Keller was appointed to investigate what possibilities there are for shows in the mid-west in September or October and report back to the board by December 1977.

Next the board conducted their annual review of FN. Mike Crumay suggested that he contact June Kirkpatrick to see if she wishes to continue as an editor, as she had indicated to him that she might not wish to. Concluded.

Connie Peterson moved that Mike Crumay contact June Kirkpatrick to see if she wishes to continue as editor and report back to the board as soon as possible. Seconded by Elizabeth Keller. Motion carried.

The responsibility of FCA to regional clubs was next discussed. After much discussion Dee was instructed to write AKC and inquire how we are expected to conduct ourselves regarding regional clubs as regards their sanctioned matches, etc.

Connie Peterson moved that the Board members of FCA who are also members of regional clubs act as our temporary liaison with their regional club, and that Carol Hattingley be appointed as temporary representative to Mid-Atlantic Fall Club, since they have no one on our board, until we receive guidelines from AKC. Seconded by Liz Keller. Motion passed.

The AKC delegate was next discussed. Since the nomination for delegate had not been presented by the Nominating committee on the slate for the 1977 election, we are without a delegate. Mike Crumay declared that a vacancy existed, and that the Board will have to appoint a delegate. Dee was instructed to write board members for their suggestions for delegate, and limit the time for response to 30 days. Dee was instructed to include in the letter a copy of the section regarding delegates from the AKC By-laws. The three names being suggested most often will be re-submitted to the board for a vote.

Peg Stiff, who has been Ways and Means chairman for many years asked that the board accept her resignation. This was done, regretfully, as Peg has done an outstanding job. Patty Burke volunteered to the undertake the position and was accepted by the board.

A new membership application was presented and the applicant voted into membership. Mrs. Walter Harper, (Evelyn), 239 Washington Street, Perrysburg, OH, 43551. Walter is already a member of FCA.

A motion was made that the meeting be adjourned, seconded and passed. The meeting was adjourned at 2:30 a.m., September 11, 1977.

Respectfully submitted, Dee Rummel

Dear FCA Members,

The newly designed medallion is now nearing completion. In the past a silver medallion was awarded to PULIS finishing their championship or completing an obedience degree in a given year, if the owner applied for it. If you have a Puli who has finished its championship or obedience degree(s) between 1973 (when the last medallion was awarded) and the present, and whose title has been confirmed by publication in the AKC Gazette, send your application to the Secretary: Dee Rummel, Pebbletree Farm, Rt. 3, Brown Road, Whitewater, WI, 53190. PULIS who have won Best of Breed at the national specialties will receive a gold medallion, these will be sent to their owners without application.

Sincerely,

Dee Rummel

Ten new Puli Champions is really something! It reflects the efforts of the Breeders and Exhibitors and the Puli Club of America is proud of its members and their dogs. CONGRATULATIONS ONE AND ALL!!!
For the first time in many years, only 1,100 points separated the top three Group-placing Puli's. It has usually only been a one or a two-dog race! In first position is the P.C.S.C. Specialty winner, Helen Majer and Vilma Majoros' imported Ch. Kalloszta Apor. From January to June, Apor collected 15 group placings, including five Group First awards, and a Best-In-Show win on June 11th at the Kanadasaga K.C. show in New York.

Close together are the number 2 and 3 Puli's, with Zoltan Devenyi and Dee Rummel's imported Ch. Peli-volgyi Fifi in the number two spot. In the first six months, Dee and Fifi collected three Best-In-Show wins! They received the highest honors on April 17th at the Lake Shore K.C. show in Indiana, on April 24th at the Mattoon K.C. show in Illinois, and on June 25th at the Cedar Rapids K.A. show in Iowa! That's a record for the breed!

Less than 150 points away is Ann Bowley and Sylvia Owen's Ch. Skysyl Harvey J. Wallbanger, the top-winning Puli of all time. Ann and Harvey collected 15 group placings, including two Group First awards.

Next on the list is "Sting", Ellen Iverson's Ch. Maroeb Dauntless, who is handled by Professional Handler Ted Young. Sting had collected 4 group placings during the first half of the year. And last, but not least, was the sensation to hit the P.C.S.C. First Independent Specialty Show week-end, Dr. Roberto Hernandez' home-bred Mexican/International Ch. Cinko Duda Csebi, who placed 2nd in the Group at the K.C. of Beverly Hills summer show.

Listed below are the top winning Puli's at the Group Level for the first half of 1977.

FROM THE EDITOR:

P.N. is late getting mailed this month due to delay in receiving Specialty pictures. We apologize for the inconvenience.

I have received a number of requests for back issues of PULI NEWS at different times and I would like to announce that these back issues are available on a "first come first served" basis at a cost of .75¢ per copy. I have anywhere from 10 to 25 copies of most issues and would be glad to get them out of my house and at the same time accommodate members who desire them. The cost of .75¢ per copy will pay the postage and hopefully provide a little extra to help defray the cost of printing P.N. Just mail your requests to: EDITOR, PULI NEWS, 2719 Overland Ave., Los Angeles 90064. Make all checks payable to the Puli Club of America.

Back issues are available from 1968.
