Set Ups, Check In, Start Times, Walk Through

Preliminary running order contingent on move-up entries not yet received or when adding wait-listed entries after closing. Exhibitors shall be provided armbands or stickers indicating their dog’s running order number for this trial. Per AKC rules, the move up deadline is 6 pm on Monday, October 21, 2013. Absolutely no move ups for Saturday will be allowed after this time and date. Move ups for Sunday will be allowed and must be given to the Trial Secretary, at the show site, in writing within 15 minutes of the last dog completing the course on Saturday.

Novice B/A Standard, JWW and FAST classes will run together by jump heights with division B running before division A. Excellent/Master Standard, JWW and FAST classes will run together by jump heights with Master running before Excellent. The preferred classes will run intermingled with the regular classes by height. Each class will be briefed separately. Lunch breaks will be at the Judge’s discretion. A warm-up area, consisting of a regulation agility jump will be provided for all exhibitors.

Check in will begin Saturday at 9 am
Sunday 7 am
Exhibitors are not required to check in at the stated time however, they should plan to arrive in time for course walking and measurement of dog if necessary.

Walk through will begin as soon as the Judge has approved the course. This will be at approximately:
9:30 am on Saturday
7:30 am on Sunday
For the first class on day:
Master/Excellent Standard and JWW the walk will be split into two groups. Both groups will walk then judging will begin.
4-16
20-26
All other classes:
All heights will walk the course together prior to their class being judged.

Cynthia Blanton will judge all classes each day.

Bring your Lunch
No food or beverages will be available for purchase. Lunch will be provided for Judge, Show Committee, all day workers.

All About the Height Cards
All dogs, regardless of jump height, who are under two years of age and do not have a temporary height card or are over two years of age and do not have a permanent height card must be measured prior to their first run of the weekend. It is the exhibitor’s responsibility to ensure their dog is measured before their first run. Measurement of dogs will take place throughout the day near the score table when Cindy Macklin is not otherwise occupied.

Directions:
From I-80 west in Dixon, take 113 South towards Dixon.
From I-80 east, take the Dixon Ave/A Street exit and go right on A Street. Turn right on First Street. Turn left on Chestnut.

Entry Information
The dog specific information was emailed to you at the time the entry was processed. This may have been several weeks ago. If you need to verify the classes entered email lorie@abbadogs.com

Course Maps

Once the Judges arrive at the show site hard copies of the course maps are placed in one of the three black file boxes labeled either Master, Open or Novice. A copy of each map is posted in the score posting notebooks. The file boxes and score posting notebooks are located at the score table. Copies of the course maps are based on entry numbers so please do not take a map unless you are actually in that class. By taking a course map for a class of which you are not entered you are taking a map from another exhibitor.

Exhibitors should consider bringing with them to the show tracing paper and a pencil. If the maps are gone they can trace a map from the posted copy. Exhibitors can also photograph the posted map.

Ring Set Up / Tear Down

The rings will be set up on Saturday at 7 am. If you can arrive early and help it will be appreciated.

Volunteers

Puli Club of America would like to thank you in advance for volunteering to work at this year’s event. To show our appreciation, for each class worked, each volunteer will receive a $2 voucher. The vouchers can be used towards entry fees at future Puli Club of American trials.

Dry erase boards will be located near each ring. If you see a blank space and have free time just write your name in the blank or volunteer with Julia O and Pat White.

Check In At the Gate

Exhibitors are not required to arrive at any specific time. Exhibitors should arrive in enough time for course walking and measurement of dog if required. Be sure to check in at the gate before walking your course. The Scribe and Crew Chief need to verify the order of the scribe sheets for conflicts and absent dogs. This needs to be done while you are walking so everything is ready to go when the first dog is on the line.

Scores & Awards

The score posting books will be located near the main score table—this will be near Lorie’s trailer and black truck. The ribbons and first place prizes will be located in the Club Area—this will be near the worker raffle.

There will be a clipboard at the awards table. If the ribbon labels are ready the daily awards form, located on the front of the clipboard, will be initialed next to that class. All scores MUST be verified by the judge BEFORE ribbons can be released.

If you have any questions regarding your score ask the main score table. Lorie, Laura and Dave. If we do not know the answer will find out. Please do not ask the Scribe or Timer any questions. They are busy scoring the next dog.

Can I Leave My Stuff In the Park Overnight?

The club has hired a security guard for Saturday. Exhibitors may leave set ups in the park with the understanding the guard will do his best but no guarantees can be made.

No Onsite RV Parking

Vehicle Parking

Day vehicles may park in the regular parking lot.
### Class Order, Height Order

Dogs will be judged from the lowest armband number in each class to the highest armband number in each class.

Judging will rotate between rings.
