This includes picking up after dogs on the grounds. Anyone who damages a room or campsite/fairgrounds and does not report the damage to the hotel/campsite/fairground management and make immediate restitution or arrangements to do so within a period of time agreed upon by the management, will be subject to any or all the following actions by the PCA Board of Directors.

2. Any verified complaint by the host hotel/campsite/fairground.
3. Any verified complaint by a PCA member.

PCA ROOM REGULATIONS:

1. All dogs must be crated and quiet when left alone in a room. Noisy dogs shall be quieted upon request, even if this means the owner/handler must stay in the room with the dog.
2. Individuals will be expected to immediately report any damage by dogs or themselves to the hotel/campsite/fairground management and to assume complete financial responsibility for those damages.
3. No bathing or grooming will be allowed in rooms. A grooming room will be available whenever possible.
4. Dogs are to be allowed on furniture ONLY if the furniture is covered with protective covering provided by the owner/handler.
5. All owner/handlers will take preventative measures to assure that their dogs are free of fleas, mites, intestinal parasites and other communicable diseases prior to arriving at the hotel/campsite.
