High scoring Puli is determined by:
1. Highest combined score for a Puli qualifying in BOTH a Standard and a JWW class
   (combined YPS tie breaker)
2. If no double Q, a qualifying run with the Highest Standard class score, with YPS
   being the tie breaker
3. If no standard qualifier, then the highest score in JWW class, with YPS being the
   tie breaker
4. Since we have T2B classes, if there is no qualifier in either STD or JWW classes,
   PCA will award the highest T2B score
Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower or higher height division than they are eligible for will be eliminated.

**MEASURING and HEIGHT CARD INFORMATION**

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24” or 26” height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**NEW Simplified Jump Height Card Process**

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether the dog has a valid jump height card or if the dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog entered on the Dogs To Be Measured List. It is no longer required that a copy of a dog’s jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request.

**DOG ELIGIBLE TO ENTER**

This trial is open to all Pulik fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) number or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word “dog” is used it includes both sexes.

Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog’s physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

GROUNDS RULES

Dogs will not be permitted in any of the hotel recreation areas, including the swimming pools, and any other areas to be stipulated as “non-dog” locations.

Dogs will not be permitted in food and beverage outlets, with the exception of those assisting the disabled.

There will be a sufficient number of dog walking/exercising areas and a site map will be provided with the designated areas clearly marked. These areas will also be staked and marked with colored tape so it is evident where they are located.

There will be trash receptacles in the designated exercised areas for deposit of waste.

The PCA will provide plastic bags and appropriate scoops, etc. for the collection of waste.

**Pick up and removal of waste will be the responsibility of each dog owner/handler.**

The PCA Grounds Committee will continuously monitor all exercise areas to assure that members comply with the rules.

Those using soft-sided crates in Eukanuba Hall do so at their own risk should the dog get out of the crate.

Convention Center doors must be closed during event hours for safety of the dogs.

No dogs can be left in Eukanuba Hall after all activities are finished.

ROOM RESPONSIBILITY

Any individual attending an PCA Sanctioned Event and staying in a hotel, motel, inn or campsite/fairground has the responsibility of leaving that room or campsite exactly as found. This includes picking up after dogs on the grounds. Anyone who damages a room or campsite/fairgrounds and does not report the damage to the hotel/campsite/fairground management and make immediate restitution or arrangements to do so within a period of time agreed upon by the management, will be subject disciplinary action by the PCA Board of Directors.

The PCA will provide sheets of plastic to place under the crates. Up to four dogs will be permitted per room.

The hotel will provide sheets to place over the beds in guestrooms with dogs.

All dogs left unattended in hotel guest rooms must be crated, no soft-sided crates.

Housekeepers will not have to service rooms in which dogs are loose and unattended. Moreover, they will be required to report this rule violation to hotel management. A pet deposit of $35 will be charged for each room in which a dog is housed per stay. Individual room occupants will be assessed for any damage or destruction to their room.

All dogs must be crated and quiet when left alone in a room. Noisy dogs shall be quieted upon request, even if this means the owner/handler must stay in the room with the dog.

Dogs are to be allowed on furniture ONLY if the furniture is covered with protective covering provided by the owner/handler.

Dogs will be bathed in designated areas for dog washing. There will be no grooming of dogs in hotel rooms and no hotel towels will be used for this purpose.

All owner/handlers will take preventative measures to assure that their dogs are free of fleas, mites, intestinal parasites and other communicable diseases prior to arriving at the hotel/campsite.

Individuals will be expected to immediately report any damage by dogs or themselves to the hotel/campsite/fairground management and to assume complete financial responsibility for those damages.

The PCA will have a liaison to meet daily with the Head of Housekeeping and hotel management to assure that all of its members are complying with hotel rules. Any offenders will be asked to leave hotel immediately.

Damages shall be defined as flea infestation, urine, defecation and/or any damage to hotel/campsite/fairground property (walls, bedspreads, carpets, drapes, etc.).

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____________
