Requirements needed for dogs to enter the State of Ohio
All dogs over the age of 12 weeks are required to have been vaccinated against rabies and to
have proof of that vaccination.
All dogs must have a “Certificate of Veterinary Inspection “. [ a health certificate ]
Your Veterinarian can issue this Certificate. This ensures all required vaccinations are up to date
and the dog is fit to travel. This certificate is only good for 30 days after your Veterinarian signs it.
You must have the original Certificate that has been signed. Photo copies are not good unless
they have an original signature of your Veterinarian.
All states have their own requirements , however this meets most of them.
